8. CORRIGENDUM NO. 1

=====

Reference: e-NIT No. CPWD/KAR-CRC/KVS-BNG-01/2026-27

Date of Corrigendum: 15 June 2026

The following amendment is hereby made to the Notice Inviting Tender issued on 03 June 2026:

Item 1 Eligibility Criteria Table 1, Sl. No. 1: Annual Turnover

Original requirement:

Average Annual Turnover not less than Rs. 25.00 Crore per year from civil / building construction works in each of the last 3 financial years.

Amended requirement:

Average Annual Turnover not less than Rs. 50.00 Crore per year from civil / building construction works in each of the last 3 financial years.

Reason: Estimated project cost revised upward by approximately 18% due to site investigation report showing adverse soil conditions requiring deeper foundations. The Annual Turnover threshold has been revised proportionally to ensure adequate financial capacity.

Item 2 Completion Period

Original: 18 months

Amended: 22 months (revised following revised scope from site investigation)

All other terms and conditions of the original NIT dated 03 June 2026 remain unchanged.

Bidders who have already downloaded the original tender document must note this amendment. The Corrigendum is also available on the CPWD e-Tender portal under the same NIT reference.
